MEMORANDUM FOR: Deputy Director of Administration
FROM : Director, National Foreign Assessment Center
SUBJECT : SAFE Pilot Mail Operation

1. The SAFE Pilot Mail Operation (PMO) installations for three NFAC branches have been completed through your Directorate's timely and responsive support. Many thanks for the significant role many personnel in your offices of Data Processing, Logistics and Communications played in successfully accomplishing these installations and now play in providing continuing support. Worthy of special note was the Office of Communication's rescheduling of terminal communications installations to meet PMO operational dates. As you know, the experience we will gain in the coming months from using these PMO facilities will be invaluable to the SAFE effort itself.

Sometime in the coming weeks I will invite you to tour a PMO facility. Thanks again for your excellent support to the PMO.
